Note: The Charter Bar is not an Inventory Item – it was created only for the first 50 Charter members of OFNA – at our last National Meeting it was discovered that we still had 40 of these in stock – now we have 32 remaining and will attempt to sell them at our meeting in Louisville IF we have that many Charter members show up. I plan on bringing the "Bars" with to the meeting.

Recommendations: In accord with Treasurer we recommend that Checks sent to Quartermaster General for payment for OFNA merchandise be deposited in local CHASE bank account and notice of deposit be sent to Treasurer promptly for bank reconciliation – all other notification regarding purchases of merchandise continue to be processed between Quartermaster General and Treasurer as in past so inventory can be properly maintained.

This officer is pleased to report four (4) new member applications approved.

There are no pending applications at this time.

There may be a problem with the member numbers of the applications just approved. This will require some investigation, as this Officer just continued the sequence sent to her by her predecessor.

Thank you for the opportunity to serve,
